Dear **KINDEST CUSTOMER**,

We sincerely thank you for dining with us the other day, despite all the recent controversy surrounding our establishment!

We have kept our doors open for three generations, all within the same Mollois family. It is thanks to your continuous patronage that we are able to continue to serve you through these turbulent times — all with the same five-star service that the fine people of Centrus Mundi (**NONE OF WHICH OUR HEAD CHEF HAS MURDERED**) have come to expect from us over the years.

As thanks, we would like to present you with this *20% coupon* off of your next order!

We hope to see you again soon!

MOLLOIS TEAM

Hello, *MOLLOIS TEAM*,

I very much appreciate the coupon, but I think there might have been a mix up lol. I don't remember recently dining at your restaurant, or really ever for that matter. When I was younger my family couldn't afford going, and now with this whole missing archbishop thing, I've been trying to avoid it as much as possible ●

A few other friends of mine have also received this email, and they haven't been to the restaurant recently either, so is this some kind of public image thing?

Now, i don't want to be TOO intrusive, but i don't remember hearing anything about murder on the news. Maybe I didn't read the most recent newspaper, but i thought they haven't found the archbishop's body yet and she's still missing. I could be wrong though

(But if it she is dead, what are the odds that Dixes Mollois was involved)

Anyways, i wish you the best of luck with the business going forward, i guess

DEAREST [REDACTED]

WE DON'T FEEL IT'S OUR RESPONSIBILITY TO DIGNIFY YOUR PROVOCATIVE QUESTIONS WITH AN ANSWER SINCE - AS YOU SAID - YOU HAVE NO INTENTION OF PATRONIZING OUR ESTABLISHMENT ANYTIME SOON.

THAT BEING SAID..... NOOOOO, DIXES MOLLOIS DID NOT "MURDER" ANYONE.

AND WHILE YOUR VARIOUS MISSPELLINGS ALREADY MADE IT FAR TOO APPARENT YOU DO NOT READ THE PAPER, WE APPRECIATE YOUR OPEN ADMISSION OF IGNORANCE.

STILL, EVEN BRAINLESS TABLOID JUNKIES AND RADIO HEADS KNOW EVERYONE WITHIN CENTRUS *BELIEVES* DIXES MOLLOIS MURDERED ARCHBISHOP MANDALAY.

OF COURSE, THAT ISN'T TRUE. HE HASN'T LAID HANDS ON ANYONE OR ANYTHING. SAVE FOR FRESH CUTS OF LTR.

REGARDLESS, MURDER BY COOK IS THE STANDING THEORY AROUND TOWN. THUS THE TONGUE-IN-CHECK REMARK PLASTERED ON THE COUPON.

IT REALLY IS CLEVER IF YOU POSSESS EVEN A MODICUM OF BRAIN CELLS.

PLEASE DON'T EVER SHOW YOUR FACE IN OUR RESTAURANT. *EVER*. YOUR COUPON IS THUS REVOKED.

YOURS TRULY,

MOLLOIS TEAM

Hello again, *MOLLOIS TEAM*,

I wasn't expecting such a quick (and kind of unprofessional) response ●

Sorry if i came across as an idiot lol, i tend to ramble on without realizing what I'm saying.

The little joke on the cupon is quite funny, i see that now, i just don't know how effective it is as a marketing strategy, not that i know anything about running a business, just sayin ●

I your comment on my spelling quite rude. Sorry this isn't my native language, being bilingual isn't easy ● (I know you probably didn't know that, but assuming that i don't know how to read is very inconsiderate)

I'll gladly never set foot in your restaurant, especially if the staff is as rude as whoever wrote this email. I have no idea how that ltr thing tastes, and now i don't even want to. I doubt it's worth it anyway ●

Sweet Mercy! You will hafta excuse my ill-tempered coworker there. Afraid that when the Great Big Gods in the sky were puttin' him all together, they poured a great amount of his worth and talent inta cookin', yet sent the boy off into his poor mother's belly without a shred of..... er, what's the word now?..... general decency. It really is quite tragic, if ya think about it.

Still - it wouldn't surprise me if you felt nothin' but ill will towards our crabby colleague at the moment. I'm bilingual too, as fate would have it. And surprise, surprise - his tongue was just as barbed and unrelenting the first time we met. And the time after that. And the time after that... What man won't put up with for a little coin! But such is life under the devilish throes of capitalism.

Tell you what, ya little filly, iffen you ever see it in your heart to forgive our cantankerous friend, you just stroll right inta our restaurant anytime and make yourself comfy. I'll treat you to the finest meal you ever did taste - *sans gratis*, as they say. Now, how does that sound? Tempting, right? Just don't try and wear out my pocketbook too thin! *Nya-ha-ha!*

Much Obligation,

MOLLOIS TEAM

Hey there, *MOLLOIS TEAM*,
Sorry for the delayed response haha

It's good to hear that someone understands my struggles with.... language ● and that there are still decent people out there.

As for your offer, it definitely sounds great, but I'm still a little hesitant to trust your establishment after the recent events. It's nothing personal though, you really sound like a great guy (very generous too) and i wouldn't want to let you down.....

I guess I'll try to see when i have some free time to swing by as soon as possible ●

Thanks for the kind words ●

Ah, shucks! I'm just actin' as any upstanding man should. Don't worry about letting me down none. I understand why you'd be hesitant, what with the news and all - combined with my friend's cold-ass reception. But believe you me - he can cook better than any fella this track of the Beside.

Anyhow, just let me know a couple days ahead a time iffen you ever plan to stop on by! I hope to change your mind about our restaurant yet.

Truthfully yours,

MOLLOIS TEAM
