

Hello, Fellow Sons! ヽ(・ω・*)Trying to Make New Friends! (≧▽≦)

1 message

Sade Mippsi <sadmiunfortunatesons@gmail.com>

Hello, Everyone.....!!

I am very sorry to bother you..... I just wanted to send a quick email to our new recruits within the US.....! ♡(●_●) ♪ I hope that's alright.....Um..... Anyway.....

My name is Sade Mippsi, and I'm a Priest within the <<UNFORTUNATE SONS>>..... (—_—) I've been serving under Cardinal Rommy — {er, I mean Romulus(♫ ♯)} as a part of the Outlaw Research Division for a few years now.....! <3 Why did I choose that division in particular.....? Well — it's because I LOVE, LOVE <3 LOVE <3 OUTLAWS.....! X3333

Um..... you probably already know this, but within the Sons, they call people like me..... an Outaku.... *nfufufufu*.....(¯_¯*) ♫

Well, um..... I might be, er..... "oversharing" here..... but I've always had a hard time making friends.....! I can either be too cold or too friendly, or so I've been told..... I'm just trying to do my best, you know.....?(ㄏㄏ) All the politics and small talk of the workplace.....it's frustrating.....! But Cardinal Rommy (ugh, did it again(♯ ♯))...) said perhaps the best way for someone like me to make friends is to find people who share my interests.....! Which, as I said before, are OUTLAWS.....!!! <3 <3 <3 (◡_◡) ♫—*****

That being said, if you have any questions regarding Outlaws, I'm your Priest.....! Um, for example..... If you want to know more about a certain Outlaw, or have questions about a certain OL (Outlaw) report, I can help.....! Not to brag, but my parents call me their little "Outlaw encyclopedia", and my classmates always were looking to copy my notes in school.....! That being said..... I don't know everything..... I just know what I know..... *nhehehe*.....(ノ*o▽o*)

Well..... that was long..... (: ◡ ◡ :) Sorry for wasting your time.....! But.....! I hope to hear from some of you soon..... Even if we can't be friends, I hope I can help you out as your senior.....!

(~_~)With Love,(~_~)

*Sade Mippsi
Priest of the Unfortunate Sons
Outlaw Research Division*
